

# Bramcote Netball Club

## Welcome to Bramcote Netball club senior section

**Back ground:** Bramcote netball club has been running as a senior club since 2008 and has grown rapidly during this time to us now being fortunate enough to offer playing opportunities for all levels of abilities. The club is voluntary run with only the coaches being paid and we rely on training fees to cover this cost as well as the court hire. In addition we regularly apply for grants whenever possible in order to keep the costs down and to enable us to buy more equipment. In March 2013 we expanded into having a junior section as well and we have already established several teams that are playing regularly and we are working towards club mark

**Aims:** As we are a club we want to be able to give women, both back to netball and more experienced, the opportunity to play local matches and tournaments according to their ability and availability. Currently we have 4 teams playing in the Nottinghamshire netball leagues <http://www.ncna.co.uk/> and one in the DANA Monday night league. Once you have been coming for a few weeks we will look at what team we feel you would be best suited in and obviously talk to you about when you are available and days you prefer to play.

**Attendance:** We train all year round and only stop for a couple of weeks at Christmas and expect players to attend training most weeks so that you can practise not only your netball skills but also bond with your team and follow up any feedback from the weeks games. If you are unable attend if you could let your captain know as soon as possible as well as indicating availability for the weeks games if applicable.

**England Netball Affiliation:** In order for you to be able to attend training and play competitively we have to affiliate all players to England Netball after they have attended **3** training sessions. The cost for this is £47.50 and covers the period 1 September to the following 31 August .

It is essential that we do affiliate to England netball as this provides us with insurance and additionally it offers a variety of benefits for you e.g. magazines, web access. For more info please look the England netball website <http://www.englandnetball.co.uk/> and please complete the attached form and return to Cate as soon as possible with a cheque payable to Bramcote netball club for £47.20.

**Communication:** Can we please ask you to ensure that you have a 'whatsapp' account as we have a whats app group for the juniors and seniors and this is how we communicate any information to you about training times and any other info we need to easily let you know about. Additionally can you download the app 'teamer' (<https://www.teamer.net>) as this is used to invite players to attend in games. Any problems with either of these please let Cate know.

**Training fees:** To avoid us wasting valuable training time at the beginning of each session we request that all players set up a standing order for £14 per month (through out the year) with effect from the 1<sup>st</sup> of the following month. The bank account details to set up the standing order to are as follows and please put your name as the reference:

**Account Name:**Bramcote Netball club

**Account Number:** 10137994

**Sort code:** 161418

For the first few sessions it is fine to pay cash £3.50 per session until you know you are wanting to joining the club.

**Photography:** As we have got a web site <http://bramcotenetballclub.yolasite.com/> and face book account we do regularly post pictures and match reports so please do let us know if you have any concerns about this at any time.

Please feel free to contact either of us if you have any questions regarding the above or at any time and we hope that you enjoy playing and being part of Bramcote Netball Club and continue to develop as a player and enjoy the game of netball!

Thanks
